		Council District:	2
Location:	Tabor Road between E SH21 to Siegert Drive	**Type / Source:**	Sidewalks
		CIP Ranking:	45
		Projected Cost Year:	2022
		Projected Cost:	$5,178,000
Status:	Unfunded	**Original Cost Year:**	2016

Description

Construct an 8' sidewalk along the west side of Tabor Road from E SH 21 to Siegert Drive and 6' sidewalks along the south side of Milberger Street and Siegert Drive. Reconstruct Tabor Road to minor collector section.

Justification

Sidewalks along Tabor Road and Milberger Street are included in the 2016 Sidewalk Master Plan as Priority 5 (Long Connectivity) and would connect to proposed sidewalks along Old Hearne Road (City Job No. 332-411-425-611-DE-1506). Curb ramps would provide crossings at Stone Haven Drive, Elkhorn Trail, and Nuches Lane. Siegert Drive connects to an existing sidewalk for Bonham Elementary School. A citizen requested pedestrian connections from the Stone Haven neighborhood to Bonham Elementary School and Bonham Park. Coordination would be required with TxDOT along Tabor Road (FM 974). Consider for future TxDOT Transportation Alternatives Program (TAP) grant. Reconstruction would likely be requested by TxDOT.
